Camera at the 3 mile.

We are busy getting ready for next year. BLM Permits have been paid for 2024. So far it looks like entry costs will be the same as 2023. You will note we have picked dates that do not conflict with El Mirage. This has been a problem in the past. Our 2024 art work is done and calendars are being printed, We will have them available in our store at www.saltflats.com, This year we have: Alp Sungurtekin's Vincent bike, Don Cash's "Bombshell Betty", Nish's modified roadster. The 4th vehicle is a 130 Club entry from a member who passed away this year. He tried very hard to go fast enough, but had a good time competing. We will miss him.

We appreciate the members who have already renewed their memberships. Memberships are due. They are an integral part of keeping us in the black!

We still have a list of 2022/2023 entries who have not indicated what they would like to do. We offered a 2023 t-shirt and there would be a \$35.00 administrative fee and 3 options:

1. Roll to 2024
2. Refund
3. Donate all or part or buy stuff

If you haven't let us know please let Cindy or Ellen know.

We hope all of you had a wonderful Christmas and are looking forward to a safe and 'fast' 2024.
