I'm sure you know all of these people, You will still be dealing with the folks who are backing out to make room for younger, more energetic folks. Monte is planning to continue to drag the course as he will also be Chief Starter, just not V.P. Cindy is planning to be registrar. She has moved to Arizona to be closer to her family. Ellen will continue to do Sales and Souvenirs and get Shayla up to speed! We look forward to being on the Salt this Summer, We have scheduled a Test and Tune for June 27 - 29 and have also done a 10 year reservation for this permit. We will need at least 65 pre-entries to make it work! The entry forms are up on line and you will be able to pay in our store, email forms or snail mail in with check or credit.

The Course Prep Fee of \$55.00 has stayed the same. The price for the entry has increased. Test and Tune LSR is \$645.00 + \$55.00 = \$700.00; 130 Club is \$245.00 + \$55.00 = \$300.00; 150 Club is \$345.00 + \$55.00 = \$400.00. We are planning to run the 130,150 Clubs with the LSR racers.

Land Speed Racers will be able to: get new vehicles inspected, qualify for long course and license drivers, At this time there will not be any records.

World of Speed is our record event and the prices will be the same for LSR, 130 and 150 Clubs as above, if entries are received prior to July 1st. After that date LSR will go to \$745.00 + \$55.00 = \$800.00.

The main reasons for the cost increase is we have contracted with Rice Bros, to do the timing. Rice Bros. does the timing for several races including Speed Week and Finals. This should help address the concerns from last years event. The second is as of last year SCTA-BNI is charging us 3% on all Land Speed Racing entries to validate records.

We are excited to present this years art work! 2025 Calendar Posters are available, Online at: https://saltflats.com/store/index.php?main_page=index or call 801-485-2662.
